

## HANDS ACROSS AMERICA TOUR

### Memories of Texas

*An old Texas expression of loyalty comes to mind when I think of my time with our new family members from the Midland area, "You dance with those that brung ya." Donna, Richard, Gigi, Sally, Laura and Danita exemplify what it means to be selfless and loyal team members. Time and time again, each took their turn to volunteer their unique talents to one another. **Thank you** for allowing me to witness this and to be a part of it.*

*Although this team is young, their determination and visions are strong. Below are a few of the many highlights of our weekend:*

- *Sally was crowned Queen of Push Week!*
- *Gigi was first to qualify!*
- *3 Guests joined our Vantel Pearls family!*
- *Donna Woolam was the recipient of the "State Ambassador" award! (Gigi was also nominated numerous times!)*
- *Donna, Sally, Gigi and Laura all received jewelry pieces for recruiting, sales and future bookings!*
- *Trainings on Saturday were inspirational and embraced by all who attended. Especially the recruiting training done by Donna and the compensation training that showed actual team numbers and the March earnings Donna will be enjoying with the 72 team March Parties!*
  - *This includes team members in other locations/states.*

*We can expect great things from Donna and all of her "LAMBS!" God bless each and every one of you!*

*Hugs,  
Tina Kane  
Director of Field Training*
